

# AICM Update: Church of the Believer's Radio Ministry

February 1, 2023

Our Dearest Partners and Friends in Christ,

The Church of the Believers (COB), headed by Rev. Roosevelt Zarwulugbo Liberty, Sr., has revealed its new evangelically innovative plan to begin in the current year (2023). The Headquarter Branch of the COB is situated in New Matadi Estate, Sinkor Monrovia, Liberia.

“Part of our evangelical attention has been reaching every home through Radio Program – preaching and teaching God’s Word. Besides this evangelistic commitment, we are including hunters in various rural parts of Liberia, who are often stuck in the bushes on their survival-related hunting works. They take along small radios on their respective hunting expeditions,” Dr. Liberty began the revelation of what he later termed as “Innovative Evangelism by the Church of the Believers in Liberia.”

There are dozens of Christians, residing in rural Liberia, and solely sustaining the lives of their families through hunting for their foods and sales of the games to get their daily needs.

The Founder of the COB, and Africa International Christian Mission (AICM), who continued his evangelical work in the United States of America for over fifteen years involved in humanitarian works (supplying of foods and wears for financially disadvantaged persons), said, many people consider the Radio as their “Church House.”

“Some of the examples of my assertion, that the Radio is a Church House to some people in Liberia, are those under cardiovascular attack, which is popularly called Pressure. The majority of them are homebound; they can’t walk around, unlike prior to the Pressure attack,” Rev. Liberty added.

This writer’s biological mother (Madam Elizabeth Broh) is an example of the Pressure-attacked, homebound Liberians the COB Spiritual Head is indirectly referring to. She was attacked by Pressure (cardiovascular attack) in 2020, rushed to the State-owned John F. Kennedy Memorial Medical Center (between 20th and 23rd Streets, Sinkor, Monrovia), and spent more than a week there. Three years down the line, Madam Broh can’t move on her both legs. She currently lives in the Township of West Point.

On Sundays, Madam Elizabeth Broh, now in her late 70’s, often appeals to her about-to-go-to-Church husband to leave his radio on for her to listen to preaching program over any of the Radio Stations. “You know, the radio is now my Church, since I can’t walk to go to my Church,” the Pressure-crippled elderly woman often says to her husband in his mid-eighties.

For airing of their Gospel sermons, the Church of the Believers is in business partnerships with two Radio Stations—Radio Hope (100.5 FM), based in 72nd Community, Paynesville, Montserrado County; and Voice of Tappita (98.0 FM) based in Lower Nimba County.

“Our Church pays thirty-five United States dollars to management of Hope Radio in City of Monrovia weekly for circulation of our Sunday’s Sermon; and four thousand, five hundred Liberian dollars (the equivalent of USD\$50.00) per month for the Radio Station in Tappita, rural Liberia,” COB’s Administrator and Media Coordinator, Mr. Alfred L.M, Gezaye, disclosed to this writer.
