Our Dearest Partners and Friends in Christ,

The Founder of Church of the Believers (COB), and the Senior Pastor of the Headquarters Church, Rev. Dr. Roosevelt Zarwulugbo Liberty, Sr., has set April 11, 2023, as the kick-start time for his via-Internet Biblical Lecture series Sessions to educate participants on Christian issues many Christians consider as “controversial”.

“ A Few weeks ago, one Christian brother posed this question to me: ‘Should we refer to each female head of a Church as Reverend, as we do for male head of a Church?’” This brother’s inquiry is one of the controversial issues within Christianity, which I will be addressing during my Biblical Forum Lecture Series sessions,” Dr. Liberty said to this writer during an interview at the COB’s grade-level educational institution named Christian High School, located on 16th Street, Russel Avenue, Sinkor, Monrovia, Liberia, on the 29th of March, 2023.

Those who wish to be part of the Teaching Session should send their e-mail addresses, phone numbers to:

liberty.biblicalforum@gmail.com or aicm1798@hotmail.com for updates, Rev. Liberty added during the interview with this journalist.

He said anybody who wishes to be part of the Teaching Sessions should befriend him on Facebook, where the training will also be posted for the global audience to read, and invite their relatives and friends. Or, the interested person should send his/her phone-channeled text message or his/her phone to him (Rev. Liberty) through his phone number 0775483605

“ Sending any of these contact channels is the sender’s automatic registration for the Teaching Session,” Dr. Liberty said.

The Clergyman said, during the interview with this Journalist, he will prioritize a question that will have emotional appeal to majority of other listeners.

“ I will respond to such question through a teaching format, instead of addressing the questioner directly as if it is an interview session between the person and me,” Rev. Liberty said.

“ From the day Christianity entered Liberia through the Western Missionaries in the 18th century, Liberians, who subscribed to this new Religion, soon became to have problems with a woman’s leadership role in some Churches. Also, ordination of Gay (homosexual) as Head of the Body of Christ, and many other factors that are creating ideological holes into Christianity globally,” Rev. Liberty said.

“ However, these problems can be resolved through a spiritually-enlightening-Christian Teaching Session like the kind I will be starting on April 11, 2023,” the founder of Africa International Christian Mission and Church of the Believers Leader added.
